

The Cultural Historical Association of Rodriguans and Mauritians in Victoria Inc.

Proudly Presents
AYO! 9M²

AYO! 9M² addresses issues faced by people forced to leave their country of birth and seek a better life abroad. The play is based on challenges experienced by migrants who left the island of Mauritius when that country was in a state of social turmoil. The title of the play reflects the frustration, despair and predicament of a number of newly arrived immigrants forced to live in a confined space.
