

**The Cultural Historical Association of Rodriguans  
and Mauritians in Vic Inc & the Francoise Babet  
Leukaemia Foundation Inc join forces  
to raise funds for  
The Cranbourne-Narre *Relay for Life* event**

**What is *Relay for Life*?**

It is a unique event where teams of 10 to 15 challenge themselves in a relay style overnight run or walk.

YOU too can make a difference and join us on this campaign to help fundraise for this critical Cancer Council campaign. Cancer Council is not government funded, so our support is needed to help reduce the impact cancer has on our communities.

**How can you play a part?**

- **by simply donating** to the CHARM Vic/FBLF Inc team **online** or **HERE TODAY**
- and/or by **registering as a CHARM Vic/FBLF Inc team member** so you too can campaign and raise funds through your network
- **by joining us in November** to celebrate survivors and remember loved ones lost and fight back against cancer. You are welcome to join us for the whole relay. If you can't, feel free to drop in at any time to support us and others, and to celebrate and remember those affected by cancer

**We plan to have a tribute display for survivors and those who are no longer with us.**

**Please help us by sending a photo and/or on the day bringing along photo(s) of person(s) you personally would like to remember and celebrate on this special occasion.**
